

ELEVATE YOUR LIFESTYLE

VUE LIFT®

BESPOKE MOBILITY SOLUTIONS

Better mobility for life

 **savaria**

Savaria, the global pioneer in accessibility solutions for over 40 years, proudly presents the Vuelift®.

Designed for discerning individuals, our exquisite range of residential elevators combine convenience, luxury, and breath-taking aesthetics.

Whether you reside in a sprawling villa, a lavish penthouse, or a high-end apartment, Vuelift® elevators are meticulously crafted to elevate your lifestyle.

"Design has the power to transform the ordinary into the extraordinary, creating beauty in utility. It inspires, uplifts, and leaves a lasting impression."

Marcel Bourassa, Savaria CEO

SHARED ELEGANCE

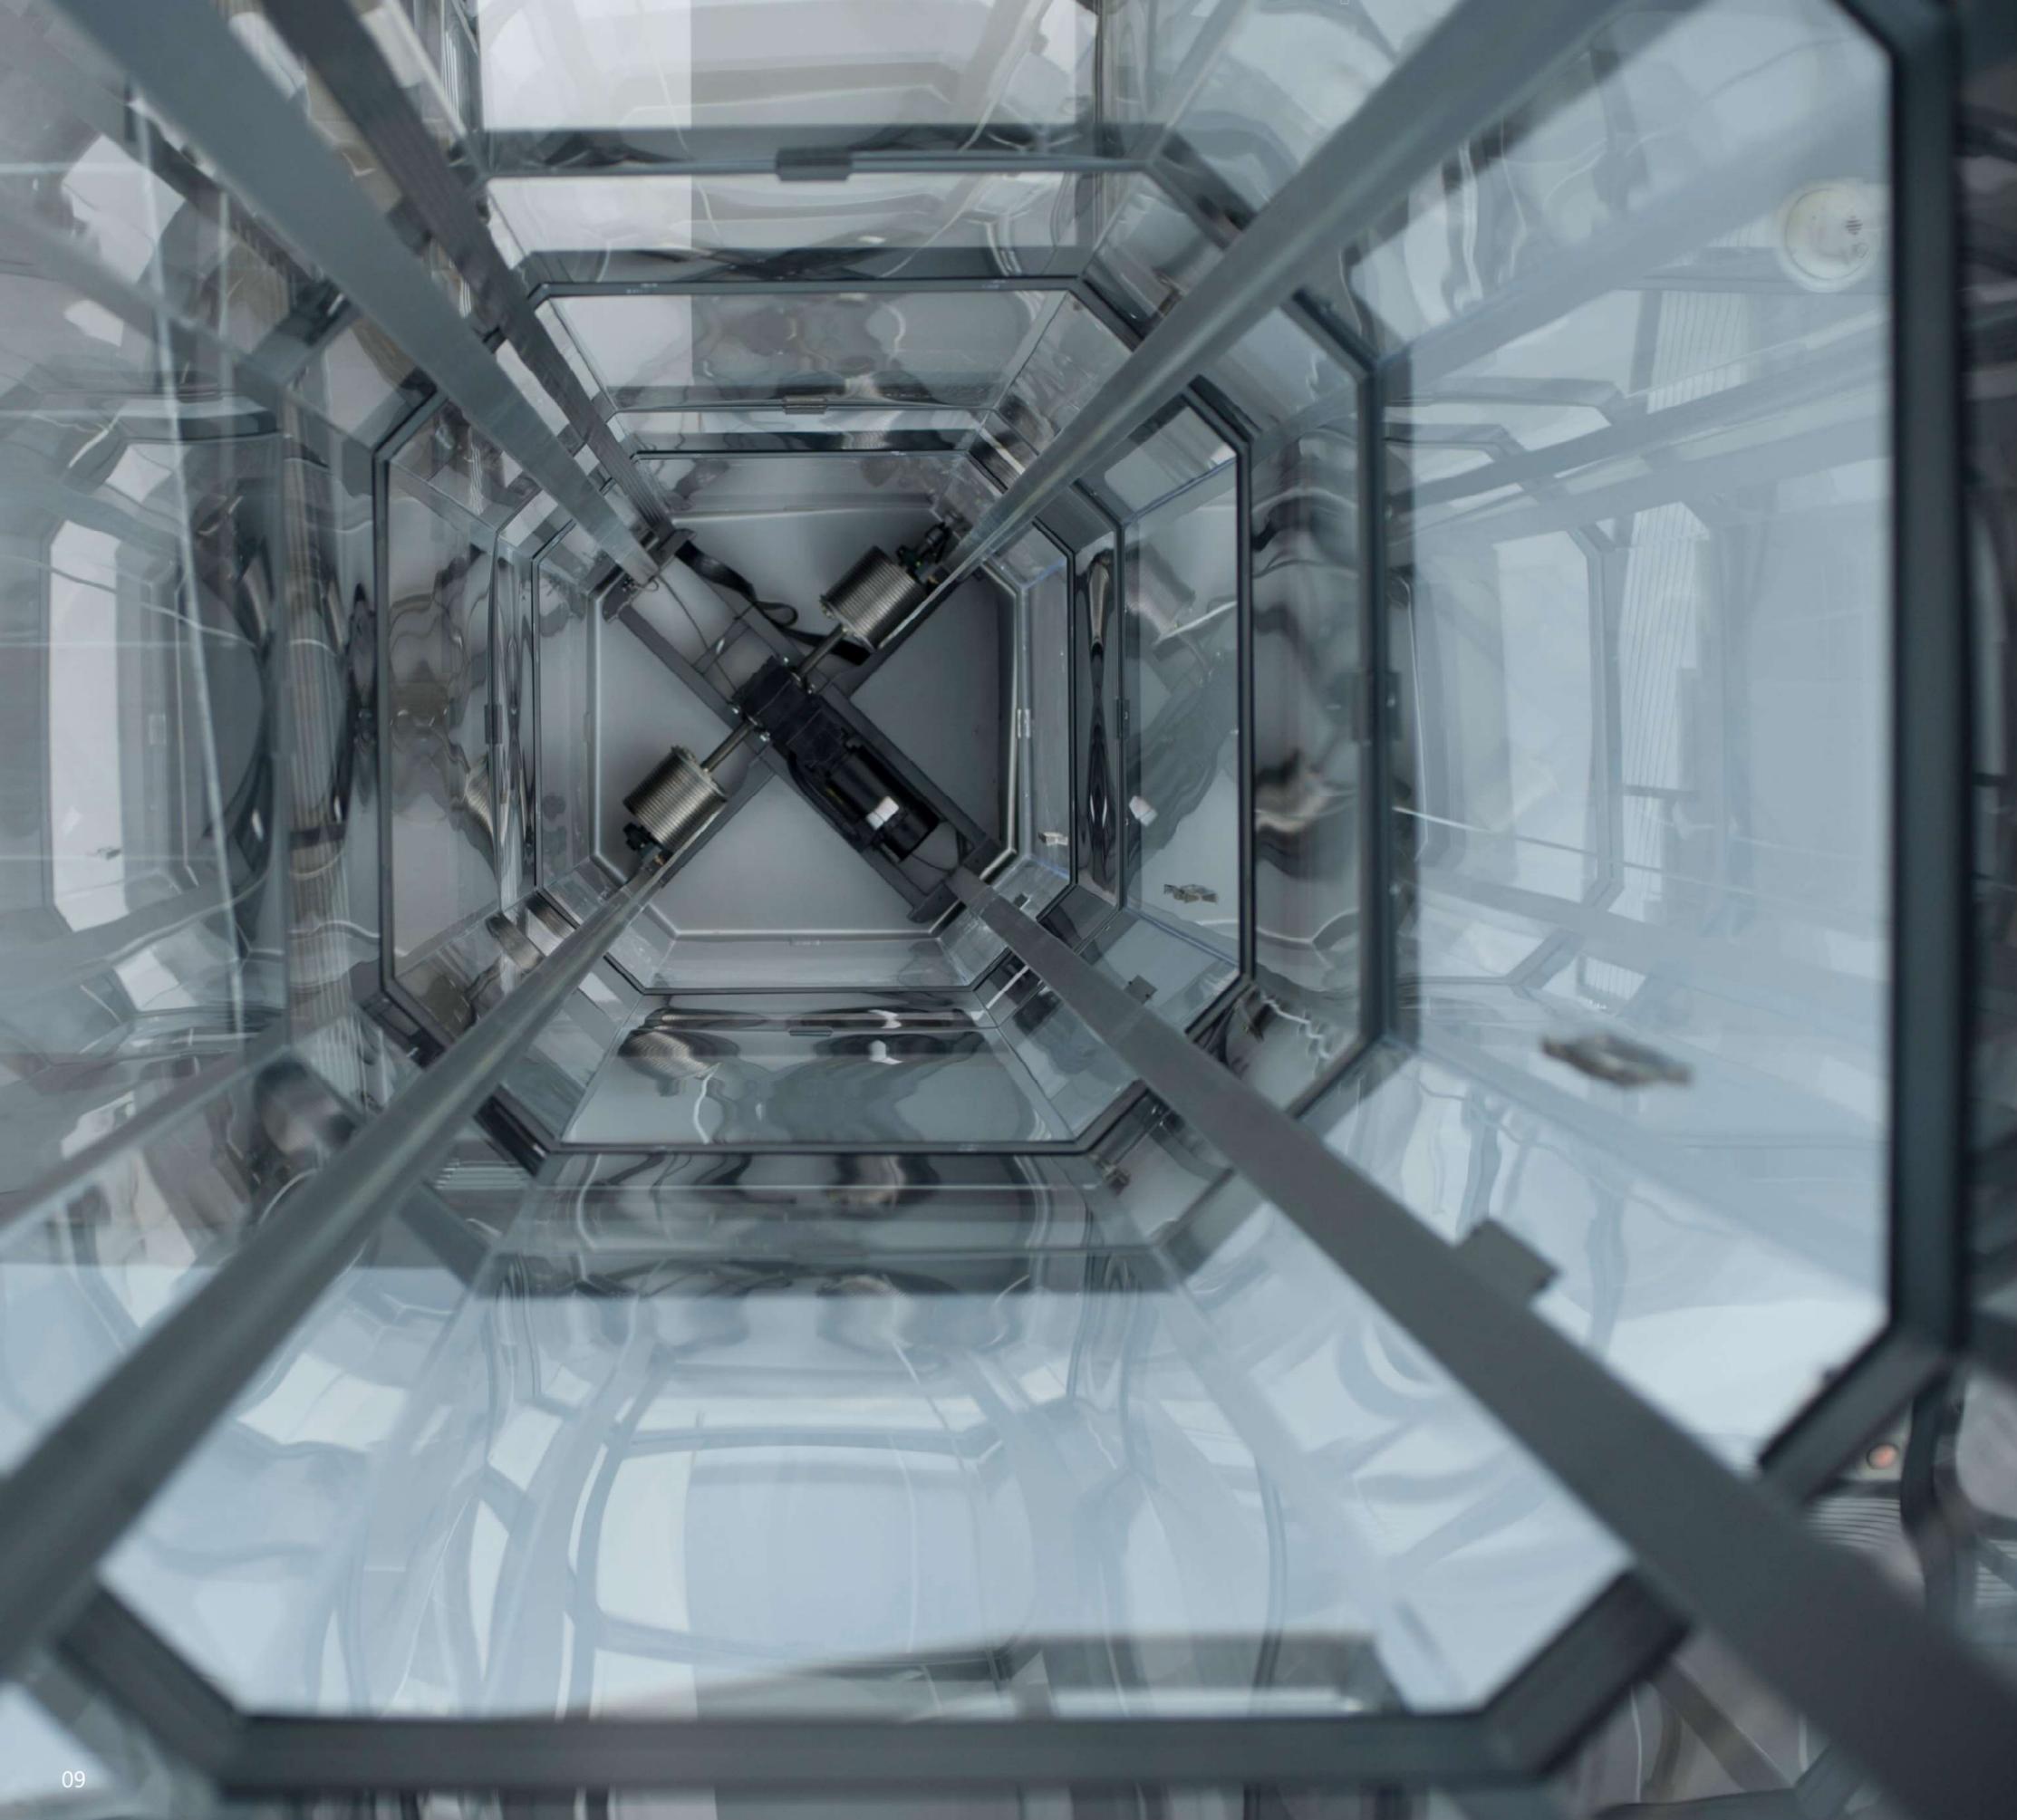

Our bespoke Vuelift® models, the Vuelift® Octagonal, Vuelift® Round and Vuelift® Mini share exquisite features that seamlessly combine luxury, innovation, and functionality.

- Stunning 360 degree views
- Automatic LED cab lights & ventilation fan
- Illuminated push-button hall call stations

- Integrated hoistway for easy installation
- Powder coated frame available in black (standard) or any RAL colour

Vuelift® elevators are driven by an energy-efficient winding-drum drive train system, using two military-grade aircraft cables for a smooth and stable ride.

Meticulously crafted to meet the most stringent safety standards

- Emergency battery back-up for cab lighting and lowering
- Emergency alarm and stop switch
- Overspeed governor
- Safety brakes
- Integrated touch-pad phone

VUELIFT® OCTAGONAL

01

The Vuelift® Octagonal is the epitome of design possibilities. Its unmatched flexibility and bold lines empower you to create an extraordinary visual impact, surpassing any other elevator on the market.

The Vuelift® range ensures convenience and barrier-free accessibility, while also increasing the resale value of your property.

- Holds up to 431kg
- Travel up to six floors

- Available in same-side, opposite-side, 90-degree and three-entrance cab configurations

MAKE A GRAND ENTRANCE

Seamlessly blend the Vuelift® Octagonal with your home's architecture and revel in its dramatic beauty. Or make a statement by placing the elevator in an open plan layout, adding flair and beauty to your modern home.

Vuelift® Octagonal

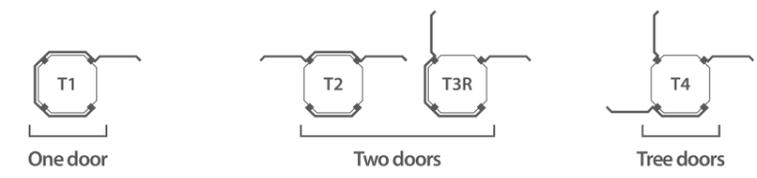

Vuelift® Octagonal models

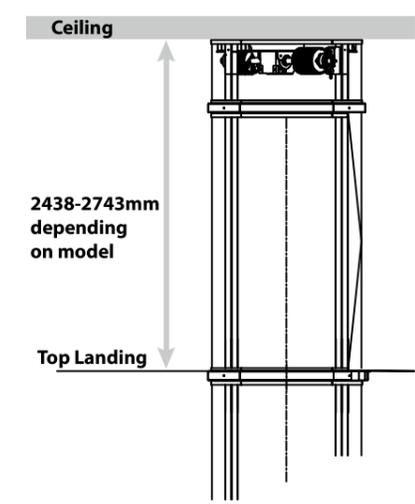

Model	Cab gate clear opening	Capacity
Acrylic	660mm +/- 13mm	381kg
Glass	660mm +/- 13mm	431kg
Glass+*	838mm +/- 13mm	431kg
Height	Floor Area	Normal Speed
2133mm	1.2 sqm—1.4 sqm	0.16—0.2m/s
Power	Max travel	Stops
230V/1PH/30A + 120V/1PH/15A	15.2m	6

* WHEELCHAIR | Meets ADA

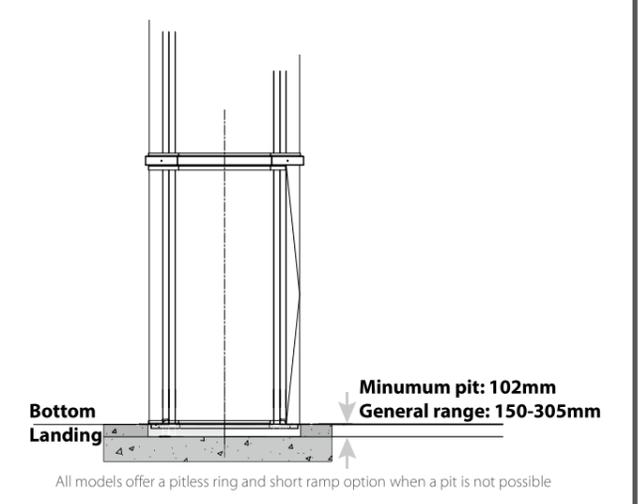

Door configurations all models

Overhead minimum requirement

Pit minimum requirement

All models offer a pitless ring and short ramp option when a pit is not possible

*More options are available to fit your customized needs

VUELIFT® ROUND

02

The Vuelift® Round elevates your home's architecture to unparalleled heights. Mirror its elegant curves within a spiral staircase or integrate it with other design elements to create a harmonious ambiance.

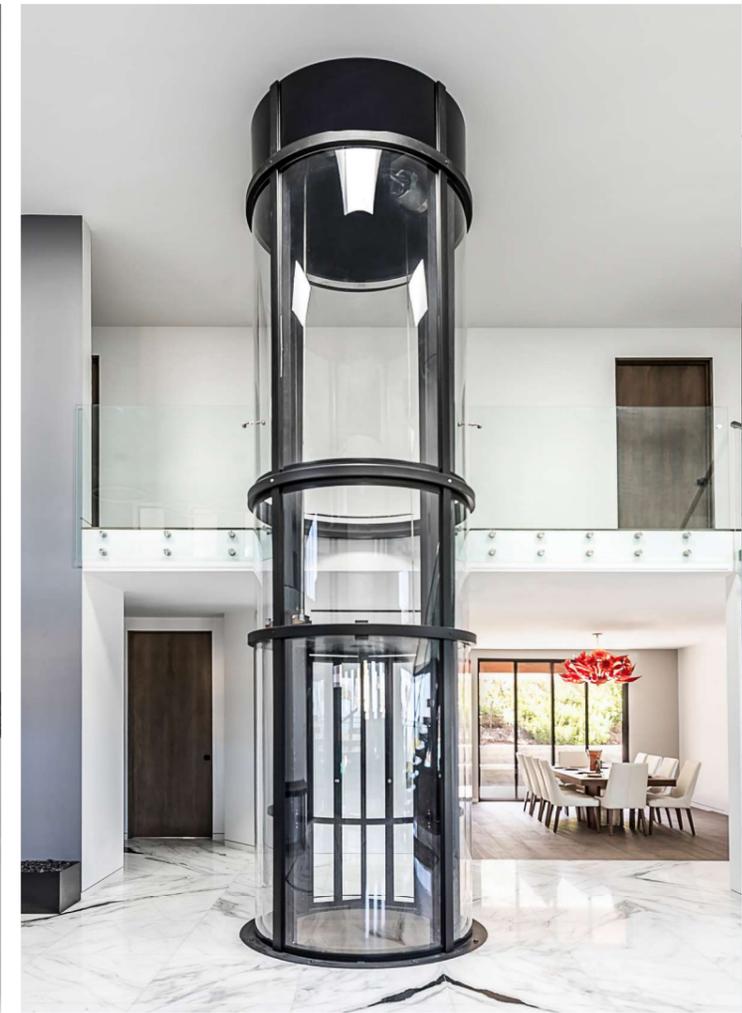

Vuelift® Features

- Bifold glass cab gate
- Balcony attachment or through-the floor setup

With its stand-alone solution and integrated hoistway, the Vuelift® Round ascends elegantly within your existing architecture. No need for construction hassles or additional walls - just pure elegance and convenience.

ELEGANCE IN MOTION

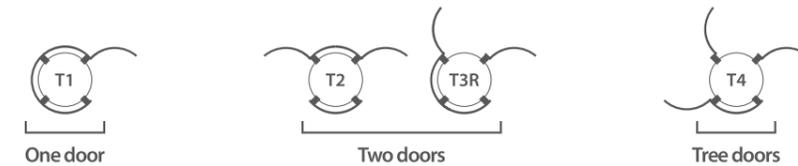

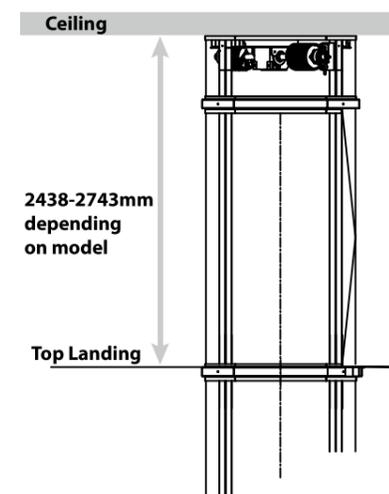

Vuelift® Round models

Model	Cab gate clear opening	Capacity
Acrylic	660mm +/- 13mm	381kg
Glass	686mm +/- 13mm	431kg

Door configurations all models

Overhead minimum requirement

Pit minimum requirement

*More options are available to fit your customized needs

VUELIFT® MINI

03

The Vuelift® Mini elevates your home with stunning looks and enhanced livability. This compact yet versatile elevator requires only a 50-inch diameter footprint, making it an ideal choice for both new builds and retrofitting existing homes.

- Sleek circular design
- Customizable frame colours
- Whisper quiet operation
- Maximizes space utilization

Enjoy a 360-degree view from inside the lift and bring in natural light through its UV-resistant glass or acrylic panels.
